Hiring Manager  
Walmart #01367  
Warner Robins, GA

Dear Hiring Manager,

I am writing to formally express my interest in the Frontend Coach (Non-Complex) position at Walmart. As a current Front End Team Lead with Walmart #01367, I have developed the leadership, operational, and compliance skills necessary to excel in this role. My track record of running smooth floor operations, mentoring associates, and being recognized by Asset Protection demonstrates my readiness to step into a Coach-level position.

In my current role, I consistently ensure that lanes move efficiently, customers receive excellent service, and associates are supported in achieving store goals. I have successfully led teams of 6 to 25 associates, adapting to both lean and peak staffing situations while keeping performance standards high. Beyond the front end, I have managed four departments simultaneously—Front End, Door Greeters, Electronics, and TLE—while also stepping in for ODP when needed.

I hold License2Lead (Level 2, Front End) and License2Operate (Level 2), advanced certifications that reflect my commitment to Walmart's leadership standards and operational excellence. My efforts have been acknowledged multiple times by the Asset Protection team, underscoring my ability to safeguard assets, reduce shrink, and enforce compliance.

I am confident that my combination of leadership experience, advanced certifications, and proven results align directly with the responsibilities of a Frontend Coach. I am eager to bring my skills and dedication to this role, helping Walmart continue to deliver excellent service, develop associates, and drive strong results.

Thank you for your time and consideration. I look forward to the opportunity to further discuss how my experience and commitment can contribute to the success of our store as a Frontend Coach.

Sincerely,  
**Bhupinder Singh**  
**Front End Team Lead**
